Address

I do authorize that first aid be administered in case of an accident with the understanding that I am to be notified if serious. In case I cannot be reached, I do authorize the teacher or administrator in charge to seek medical attention. This is with the understanding that I will pay all medical costs that are above and beyond the school insurance which is in effect. In the vent that a teacher or administrator has to seek medical attention, all possible efforts are to be made to reach me as soon as possible.

I do, as a parent/guardian understand that without the fee and permission slip, the student in question will not be allowed to participate in the event.
