While everyone can help ensure scholars show up to class every day, the role that a parent plays is irreplaceable. Parents are uniquely positioned to ensure their child is ready for school each day, on time, and in attendance. The leadership role of the school is to adopt a comprehensive, tiered approach to improving attendance that fits with our overall approach to promoting academic achievement. Working in collaboration we can dramatically increase our scholar attendance and instructional time.

Don't forget to access your child's grades by logging on to Lincoln's website at www.L156.org then click on "Power School" on the left side and click on "Parents". Enter your username and password (listed on your child's Report Card & Progress Report) and you will have access to assignments, grades, attendance and lunch balances.
